

Our number one concern is our patient's dental health. To provide the best service we require our patients to keep their appointments. The appointment you schedule for treatment is for you. When you fail to keep your appointment without providing us adequate notice, this adds to the overall cost of care.

Appointments canceled less than 24 hours in advance or broken appointments will incur a charge of \$40 and must be paid prior to your next appointment.

We appreciate your understanding and consideration regarding our appointment policy. Please sign that you understand the above mentioned policy.
